Service Terms and Agreement (To be signed by Customer Executive):

I, the undersigned, am requesting that ECi develop the custom color theme specified on this Form. I certify I have been informed of all costs relating to this theme and agree to the terms:

- All custom work is billed at a minimum of \$____.00 an hour with a one-hour minimum. Customer is responsible to pay for the actual hours worked.
- Allow _____ to _____ weeks for custom project requests.
- A priority request will be processed within _____ weeks with a ____% surcharge added to the total price.
- All custom project quotes are valid for 30 days from the date received. After 30 days a new request must be submitted.
- Customer will have 30 days of support from the received date of the project. Customer agrees to test and report any errors in a timely manner. After 30 days, Customer will be billed for support at ECi standard rates.
- If the project does not work correctly due to incorrect or incomplete specifications provided by Customer's representative, ECi reserves the right to re-code the project for an additional charge.
- ECi is not responsible for the failure of custom projects due to items outside of ECi's control, such as changes in browser support, third party hosting issues, third-party scripting, customer's site use of HTML frames, customer's backend server data issues, or end user error.
